## HAT wishes you a Merry Christmas!

Dear Friends,

As we come to the end of another successful year for Health, Australia & Tanzania (HAT), we would like to thank all of you for supporting our cause.

It has been a year full of changes, we have welcomed new committee members and many new volunteers and members. We have enjoyed many fundraising events and we end this year with the feeling that next year will be even better. But nothing would have been possible without your help!

We would like to take this opportunity to ask if you would help us once again. The holiday season is the perfect time to show those around you how much you care and with presents to buy, Kris Kringle at work, etc **why not purchase the gift of a HAT membership for your loved ones?** You will be helping one of the most needy communities in the world by providing disadvantaged Tanzanian rural communities with a healthier and better future.

If you wish to make this happen **please contact Ana Peguero on [ana.peguero@hat.org.au](mailto:ana.peguero@hat.org.au) to arrange the HAT Christmas membership gift for just \$25** that will cover your membership for one year!

**The HAT committee wishes you a Merry Christmas and a Happy New Year!!**

## Mampando Fundraising Success

HAT is currently working in the [Mampando Village Rural Hygiene and Sanitation Project](#) in partnership with HAPA in the village of Mampando, Singida Region. The project objective is the improvement in wellbeing of the communities through a reduction in the burden of sanitation-borne diseases like malaria or diarrhoea.

*Tanzanian girls collecting water.*

Most of these diseases are related to poor health/ hygiene and environmental community practices.

Thanks to our fundraising events like the Trivia Night, Run for Tanzania, Sausage Sizzle and HAT for HATS, we have raised \$5,577 so far.

And we would like to say **THANK YOU!!**

## Let's make it happen!

Help us to raise the mercury on the donation thermometer to a high level!

Click on the following link to access the website

<http://www.chuffed.org/project/sanitationTanzania/> and you will be participating in our latest online campaign to raise funds for the Mampano project.

Help us to achieve our goal, let's make it happen! Make a real difference to health outcomes in rural Tanzania!
