HAT wishes you a very happy holiday!

To our all dear HAT friends,

Health Australia & Tanzania (HAT) would like to wish you a happy holiday. It has been a year full of wonderful moments and big achievements and on behalf of the committee we would like to say THANK YOU for your unconditional support!

We would like to take this opportunity to ask if you would help us once again. The holiday season is the perfect time to show those around you how much you care and with presents to buy, Kris Kringle at work, etc **why not purchase the gift of a HAT membership for your loved ones?** You will be helping one of the most needy communities in the world by providing disadvantaged Tanzanian rural communities with a healthier and better future.

If you wish to make this happen **please contact Ana Peguero on ana.peguero@hat.org.au to arrange the HAT Christmas membership gift for just \$25** that will cover your membership for one year. Alternatively, if you wish to donate [click here](#) (donations over \$2 are tax deductible).

We hope you enjoy this festive season and we will be in touch next year!

Bootcamp Fundraising Event Update

Due to unforeseen circumstances, **the charity Bootcamp that was planned for this Sunday 7th December has been postponed.**

We apologize for the inconvenience caused and will endeavour to host the Bootcamp after the festive season, sometime next year.

We will keep you updated.

World Toilet Day, the right to a safe toilet

A very remarkable day for Health Australia & Tanzania is The World Toilet Day, it was on 19th November and is definitely a day were we should stop for a second and think about how lucky we are to have access to a safe toilet because not everyone has.
