Charity Bootcamp session at the park!

Do you want to raise your adrenaline levels? Do you want to get strong and fit while supporting a good cause? Don't think twice, come and join all the HAT friends for this new Bootcamp experience and get your adrenaline pumping!

Health Australia & Tanzania is holding for the first time a Bootcamp session at the park to raise funds for our current project in rural Tanzania!

-WHEN: Saturday 23th May 2015 at 11am (for approx. 1 hour)

-WHERE: Queen Victoria Gardens

-MEETING POINT: Queen Victoria Memorial

-COST: \$25 for adults and \$15 for students and unemployed.

Suitable for all fitness levels (beginner to advanced). Just bring your water bottle to keep yourself hydrated and we will provide fresh fruit after the training to refuel and replenish your body!

Click on the link below to purchase your tickets or if you can't make it but wish to donate towards the cause www.eventbrite.com.au

Please bring your ticket on the day. For any question, contact Ana at ana.peguero@hat.org.au

Don't miss out on this amazing workout experience, 100% of the profits will go towards [Mampando Village Rural Hygiene and Sanitation Project](#).

Donations over \$2 are tax-deductible!

Please consider making a donation to Health Australia & Tanzania (HAT). Your donation will help us to save lives and improve the health and wellbeing of people living in rural Tanzania.

This is a great opportunity to do your bit for charity!

Peter Larter departs the HAT Committee

The HAT Committee wishes to express it's sincere gratitude to our former President, Peter Larter, who is stepping down from the Committee after 8 years.

Peter joined HAT in July 2005 and was elected Vice President in September 2006 before becoming President in October 2008. He continued in the role of Committee member from October 2013 until now which has allowed a smooth transition of the Committee.

The legacy that Peter leaves is a huge one indeed, having steered HAT professionally and passionately to:

- Increase HAT's partnership network in Tanzania from our founding partner HAPA to now include MAMADO & HDT.
- Strengthen HAT's Australian supporter base with strong links now established with business, community & educational organisations.
- Achieve DGR status with the ATO allowing greater access to funding opportunities.
- Build HAT's core competencies by driving professional development of Committee members & ensuring the practise of strict policies and guidelines.

Peter will remain as a member and we hope to see him at many HAT events!

The HAT committee would like to wish him the best of luck with his future endeavours. Pete, you are going to be very missed!

The HAT Walk: clean water for all

The HAT walkers at the event that started at Princes Bridge in Melbourne.

The past Sunday 22nd March some of the Health Australia & Tanzania (HAT) friends got together to walk 7km along the Yarra river in Melbourne to appeal for universal access to water and sanitation with the campaign '*The World Walks for Water & Sanitation*'. The event raised \$525 that will go towards [Mampando Village Hygiene and Sanitation project](#).

Thank you so much to all of those committed people who came, to all of those who donated towards the cause and a special thanks to Carolina Constable who happily volunteered to distribute fruit to participants at the end of the walk.

THANK YOU VERY MUCH!!!! We hope to see you all at our next event!

Big Love,
The HAT Team
