The Run for Tanzania 2015 is back!

Peter Larter (HAT member and previous President), dressed as a mexican taco, raised \$1,266 with his sponsorship page in the Run for Tanzania 2012 event. Gracias amigo!

Health Australia & Tanzania (HAT) in partnership with the Coburg Harriers is running its 10th annual Run for Tanzania to raise money for the Mumuhumba project in rural Tanzania.

100% of the profits will go towards the construction of accommodation for medical professionals in the remote village of Mumuhumba in Tanzania. The accommodation will mean that doctors and nurses can visit the village and treat residents.

WHEN: Sunday 1st of November, 9am to 12pm.

WHERE: Harold Stevens Athletic Track, Outlook Drive, Coburg, VIC.

Choice of a 3, 6 and 12km run or walk.

ENTRY FEE: \$20 for adults and \$5 for juniors for the 6 & 12km.

\$10 for adults and \$5 juniors for the 3km to pay on the day

Throw on your runners and get physical at our charity fun run! We promise a little exercise, showbags and breakfast for the whole family!

If you want to go the extra mile, create a sponsorship page and raise money for the cause! Creating a sponsorship page is very easy, contact Peter Constable on 0425 779 831 or Peter.Constable@hat.org.au who will happily assist with all the sponsorship details.

If you wish to pay online at a reduced price of \$18 before the event visit Fun Run Coburg Harriers website www.coburgharriers.org.au

A HAT supporter wins a \$50 voucher!

Congratulations to Melanie Ho, the lucky winner of a \$50 Myers/Coles voucher for her participation in the HAT survey last month. HAT would like to thank everyone who took a minute of their time to give us their feedback.

We will update you with the results of the survey in the next newsletter but just to give you a glimpse, here are some of the key points you all agreed on:

- You would like to see HAT expand beyond Tanzania.
- You don't think HAT will benefit from a rebranding exercise (e.g. change of logo, name, etc).
- Facebook and the newsletters are the most visited platforms.

We will continue to work on improving the organisation's strategy to ensure rural Tanzanian communities have access to safe water, hygiene & sanitation.

Notice of HAT Annual General Meeting

Notice is hereby given that the tenth Annual General Meeting of Health Australia & Tanzania (HAT) will be held on Thursday 29th October at 6.30pm.

VENUE: VicHealth, 15-31 Pelham Street, Carlton Victoria.

There are seven positions on the management committee, and all are contestable (President, Vice President, Treasurer, Secretary and up to three ordinary members). We invite HAT members to put themselves forward for any of the positions. If you wish to attend or have more information about HAT Management Committee Nomination 2015, please contact our secretary Ana Peguero at Ana.Peguero@hat.org.au

HAT will soon be sending a formal email to all members with the agenda and relevant documents attached.

The meeting usually takes 30-40 minutes. We hope to see you there!

HAT is looking for a new Secretary!

If you would like to be involved with an organisation that helps disadvantaged communities in Tanzania and have experience in record keeping and minute taking, then apply to be the HAT Secretary!

This is a very challenging secretary role, you would also participate in the organisations strategy providing your feedback in general governance and management and raising issues affecting the organisation and the achievement of the organisation's mission.

This position is voluntary and the time that you dedicate to the organisation would greatly impact on improving the living conditions of people in rural Tanzania.

Volunteer your time in a great organisation, get involved and help those in need!

If this sounds like you, contact Tessa at Tessa.Saunders@hat.org.au
